Scoreless Drought Snapped

- FC Cincinnati snapped their 527-minute scoring drought with Allan Cruz's goal in the seventh minute on Saturday against Montreal
- Prior to that goal, FCC's most last tally came in the 19th minute against Sporting Kansas City on April 7, a PK conversion by Darren Mattocks
- The 527-minute streak was the sixth-longest in MLS history, but almost 300 minutes shy of the league's scoreless record: 824 minutes set by Toronto FC (July 7-Sept. 22, 2007)

Alashe Opens His FCC Account

- Fatai Alashe scored his first goal of the season against Montreal in the 62nd minute of the match, just three minutes after entering as a substitute
- The midfielder became FC Cincinnati's ninth player to register a goal this season
- In his prior two appearances – at Philadelphia on May 1 and at San Jose on May 4 – Alashe had a pair of chances in each game that were either narrowly wide or forced acrobatic saves by the goalkeeper
- According to the Elias Sports Bureau, Alashe's goal is the fourth-fastest scored by a substitute after entering a match this season.

Bertone, Waston Remain on Caution Watch

- Leonardo Bertone and Kendall Waston picked up their fourth yellow cards of the season at New York Red Bulls on April 27, putting them on disciplinary watch ... another yellow card for either player would result in a one-game suspension
- However, should they appear in five consecutive matches without receiving a yellow card, the player's season total would be pushed back to three for good behavior
- Waston has appeared in three consecutive matches without receiving a yellow card, while Bertone has made two appearances without registering a caution

End of First Half Proving Crucial

- Of all six fifteen-minute intervals in a match, FC Cincinnati has conceded the most - six goals - between minutes 31 and 45

- FC Cincinnati conceded their first goal in 312 minutes of action against the Philadelphia Union on March 30

- 312 minutes without conceding a goal is currently the third-longest streak recorded in MLS this season ... LAFC had a streak of 352 consecutive minutes without allowing a goal from March 23 through April 13 ... meanwhile, D.C. United did not concede a goal through their first 333 minutes played this season

Inaugural Season in MLS Arrives

- FC Cincinnati opened their first season as an MLS franchise on March 2 when they played Seattle Sounders FC at CenturyLink Field
- That match marked the fourth consecutive season opener away from Nippert Stadium for the Orange and Blue ... as a USL team, FCC opened each of its three seasons at Charleston
- FCC is now 1-3-0 all-time in season openers ... the Orange and Blue went 1-2-0 in season openers during their USL days, claiming their first win in an opener in 2018
- In three USL seasons, FC Cincinnati posted a 51-19-26 record in regular-season matches

Captain Kendall

- FC Cincinnati's first-ever captain was named on Feb. 27: Kendall Waston
- The towering center back has significant experience in a leadership role having served as captain of the Vancouver Whitecaps in both 2017 and 2018
- Waston has shown leadership qualities both on the pitch, being named to MLS Best XI twice (2015, 2017) and the 2016 MLS All-Star roster, as well as off the pitch, he has taken fellow Costa Rican Allan Cruz under his wing as he adjusts to a new league, culture and language
- Since making his international debut in 2013, Waston has 30 career caps with the Costa Rica national team ... He made his World Cup debut at the 2018 FIFA World Cup and scored Costa Rica's first goal of the tournament in their group stage match against Switzerland on June 27, 2018

Déjà vu: Bone Starts Inaugural Match ... Again

- Corben Bone made club history when he started Cincinnati's inaugural MLS match at Seattle on March 2
- With the start, Bone became the only player to start both the club's inaugural USL and MLS matches
- An FCC original signing in late 2016, Bone started and played 73 minutes in FCC's first-ever MLS match
- In Cincy's first-ever USL game, Bone started and played 90 minutes at Charleston on March 26, 2016.
- With 73 minutes in the season opener, Bone played more MLS minutes in one night than he had combined in 2012 (26), 2013 (3) and 2014 (13) - his last three MLS seasons
- In his last MLS start prior to March 2 - on Oct. 1, 2011 for the Chicago Fire at Houston Dynamo - Bone also played 73 minutes ... his outing Saturday matched the fourth-longest shift of his MLS career, following a full 90-minute run on May 14, 2011 (Chicago at Toronto) and back-to-back 74-minute shifts at Colorado (April 30, 2011) and vs. Vancouver (May 7, 2011), both as a member of the Fire

Pacifically Speaking

- As a USL club, the Orange and Blue played a preseason match at Sacramento Republic FC on March 4, 2017

GAME NOTES

FCC to be Road-Tested Early ...

- FC Cincinnati opens their 2019 MLS regular-season schedule with 10 of their first 16 matches on the road
- That stretch includes two sets of back-to-back road matches, as well as three consecutive matches on the road in an eight-day span
- FC Cincinnati concluded their three USL seasons with an all-time regular-season away record of 22-13-13

... And Conclude the Year at Home

- The Orange and Blue will be at Nippert Stadium often during the second half of the season
- Of FCC's final 18 matches on the schedule, 11 will be played in front of the home crowd
- FC Cincinnati concluded their three USL seasons with an all-time regular-season home record of 29-6-13

West End Stadium to Come to Life After Zoning Approval

- Contractors of FC Cincinnati's future home - West End Stadium - will now formally start construction after the Cincinnati City Council unanimously approved a key zoning change on Thursday, Feb. 21 - a key hurdle before actual construction could start
- The \$250+ million, privately funded stadium will seat approximately 26,000 fans and is expected to remain on schedule and open on time for its March 2021 target
- The formal groundbreaking ceremony - which MLS Commissioner Don Garber attended - was held on Dec. 19, 2018
- Among the design considerations are 50 suites (most in MLS not in an NFL stadium), 4,500+ premium seats among a variety of club spaces, and a safe-standing supporters section that will rise from field-level to the top of the stadium on one end with capacity for more than 3,000 fans

No Slack from the Schedule-Makers

- FC Cincinnati received no help from the MLS schedule makers with their inaugural slate, facing MLS Cup Playoffs qualifiers in nine of its first 10 games
- Additionally, Cincy will play seven of its first 11 games on the road
- After starting its MLS chapter in front of nearly 40,000 fans in Seattle, FCC followed that match up by travelling to play in front of 70,000+ fans at MLS Cup champions Atlanta United FC in Week 2
- Cincy debuted at home in front of 32,250 fans at Nippert Stadium in Week 3 against MLS Cup finalists Portland
- FCC made the trip to the notoriously tough Gillette Stadium and the New England Revolution in Week 4
- FCC hosted Philadelphia (Week 5) and Sporting Kansas City (Week 6) in back-to-back weeks and then traveled to LAFC in Week 7
- After returning from the West Coast, Cincinnati hosted Real Salt Lake (Week 8), and are just completed a three-game, 10-day road trip to New York Red Bulls (Week 9), Philadelphia (midweek Week 10) and San Jose (Week 10)

New Training Digs Also Under Construction

- In addition to West End Stadium, FCC is also constructing a \$30+ million, state-of-the-art training facility in Milford, Ohio - about 15 miles from downtown Cincinnati
- When completed this August, The Mercy Health Training Center will feature a 34,000 square foot facility on 24 acres just off I-275
- It will have three full-size, lighted playing fields - two natural grass and one artificial turf - plus a separate dedicated goalkeepers area
- Inside, the Mercy Health Training Center will house the FCC first team and Academy, as well as the technical staff, soccer operations and communications staffs, as well as members of other FCC departments
- It will also include a full-time dining facility, team lounge, auditorium and media work space, production studio, strength and conditioning gym, medical areas, equipment studio and storage, plus locker rooms, staff rooms and meeting spaces - as well as a barber shop
- While the MHTC is under construction, FCC is currently training out of a custom-built, 8,000 square foot facility on the property that includes the locker room, team lounge, equipment suite, medical suite and offices for the coaches and Milford-based staff

Nippert Also Got Offseason Makeover

- Nippert Stadium, where FCC will continue to play for the next two seasons while West End Stadium is under construction, has also received a makeover this offseason
- FCC pulled out the three-year-old artificial surface and has laid a new surface from The Motz Group ... the same turf surface is also already installed at the Mercy Health Training Center
- Additionally, Cincy renovated its old locker room to make it a game day suite for visiting teams ... at the same time, the club transformed its old team lounge and meeting room into its new game day locker room suite
- The team also created a new Player Family Room and media area off the field level for photographers, videographers and postgame press conferences
- On the field, the team has added another 120 feet of digital display boards at field level along the end lines
- On the concourse, the club will announce shortly several new naming partners for entry gates at the stadium

Construction Costs Matter

- Between construction and land acquisition for West End Stadium, construction for the Mercy Health Training Center and upgrades to Nippert Stadium, FCC has undertaken almost \$400M in simultaneous construction projects this offseason
